CAREER FOCUS: SOFTWARE DEVELOPMENT INTERN

CAREER SUMMARY

Hardworking and detail-oriented Computer Science student seeking a software development internship and a full-time position in a challenging environment that will allow me to utilize my programming and graphic design knowledge.

EDUCATION

Oakland University, Rochester, MI

Expected Graduation April 2023

B.S in Engineering and Computer Science

RELEVANT EXPERIENCE

Website, (*Sophomore Project*)

Jan 2021- April 2021

- Created a website for knowing the definition and meanings of your zodiac signs and taking a quiz to know which one is yours. Had team spirit while working with my group.

Clicking Game, (*Software Engineering and Practice*)

Jan 2022- April 2022

- Created a game where you can click an egg and after a certain amount of time and points it will form into an animal. Throughout this project I showed integrity and willingness to get my parts done.

Database Project, (*Database Design and Implementation*)

Jan 2022- April 2022

- Created a presentation about a scenario and talked about the database and implementations regarding the scenario. We used MYSQL to create the database. Had to manage my time to get the project done in time.

Website and Mobile App, (*Web and Mobile System*)

Sep 2022- Dec 2022

- Created a portfolio website using HTML5, CSS, JS and React. Had to be versatile/able to adapt to many languages. For the mobile app I used React Native to create the app.

Android Studio App, (*Mobile Application Development*)

Sep 2022- Dec 2022

- Created an app using Android Studios. I was willing to learn a new program to create the app. I also had to manage my time and work with my partner to get the app done in time.

TECHNICAL SKILLS

- Proficient in Microsoft Office (Word, Powerpoint, Excel)
- Proficient in Adobe Photoshop CC
- Proficient in C++
- Knowledgeable in HTML, HTML & CSS, Java, Python and Android Studio
- Familiar in Adobe Animate CC, Adobe Illustrator CC
